THURSDAY, JUNE 10, 2021 · 5-7 PM ET

Every year, YWCA Canada recognizes the accomplishments and contributions of volunteers and staff who give their time, talents and energy for the advancement of the YWCA Movement and to improve the lives of women and girls.

Join us for our **first virtual event**, featuring years of service and award presentations, surprise guests, YWCA trivia and prizes, mix and mingle rooms and musical performances. We invite you to wear something **blue** to celebrate 150 years of the YWCA movement in Canada. **#TrueBlueYWCA**

This is a small way to build unity, honour the legacy of the women who built the YWCA, recognize the boldness of our colleagues who are moving the work forward and celebrate the strength and resilience of the women and girls we serve.

Stay tuned for future announcements and other fun.
